

# 21 Embarrassing Moments Of Unbridled Stupidity

Some people take a long bath or treat themselves to a pastry when they're feeling low. Maybe they talk to a friend who can make them smile. But when we're feeling [depressed or insecure](#), our favorite pastime is observing stupid people do what they do best: inflate our egos with their embarrassing antics. There's nothing quite as uplifting as seeing people f\*ck up worse than we do on a day-to-day basis. And we've got a whole lot of that stupid for you to scroll through right here.
