

Heidi Klum Spotted with Her 17-Year-Old Daughter, Budding Supermodel Leni Klum!

[Heidi Klum](#) enjoyed some family time this weekend!

The 48-year-old model was spotted going out for lunch with husband [Tom Kaulitz](#) and two of her children on Saturday afternoon (July 3) in West Hollywood, Calif.

Heidi and **Tom** were joined by her 17-year-old daughter [Leni](#), who is a budding supermodel, and her 11-year-old daughter **Lou**, who is not pictured here to respect her privacy.

Just this past December, **Heidi** revealed that **Leni** was [interested in launching a modeling career](#) and she already has been featured on the cover of *Glamour Germany* this year. She has a large Instagram following already as well with over 824,000 followers.

For those who don't know, **Leni** is **Heidi**'s daughter with ex-boyfriend [Flavio Briatore](#) while **Lou** is her daughter with ex-husband [Seal](#).

Make sure to [read the comments that Heidi just made about her marriage to Seal](#).
