

Megan Fox Flirts With Machine Gun Kelly Before A Motorcycle Ride in LA

[Megan Fox](#) gives [Machine Gun Kelly](#) a flirty smile while he signs a few autographs for fans in Los Angeles on Thursday afternoon (July 15).

The cute couple stopped to take a picture with their young fans before heading out on a motorcycle ride together.

Recently chatting with [Who What Wear](#), **Megan** revealed that she actually made a pro and con list of dating **MGK**.

“When I met [him], I knew instantly that this is a soul I’ve traveled with before, that this was a soul-mate connection, and that there was a purpose here,” she shared. However, her brain still took over and filled her with some doubts.

“There was my logical brain chiming and being like, ‘This will never work for 101 reasons’,” **Megan** said.

She didn’t reveal what the list said, but it looks like the pros won out.

In another interview, **MGK** opened up about [having a poster of Megan](#) in his bedroom when he was a teen.
