

City employees conduct Saturday citywide collection of yard waste

Kudos to our entire Public Works & Utilities staff who gave up their Saturday to help the Solid Waste division catch up with yard waste collection. These nonSanitation employees collected this impressive small mountain of solid waste. Thanks to these hard workers, and to all of our Public Works team, for their efforts to continue serving our citizens despite the severe shortage of CDL drivers. To keep up with alternating weeks of yard waste and recycling, please keep an eye on www.cityofbradenton.com/news.
